

Allegan County ICS 300-400 Training

Intermediate Incident Command System, ICS-300

Middle management, strike team leaders, task force leaders, unit leaders, division/group supervisors, branch directors and Multi-Agency Coordination System/Emergency Operations Center staff.

Course Objectives:

- Describe how the NIMS Command and Management component supports the management of expanding incidents.
- Describe the incident/event management process for expanding incidents and supervisors as prescribed by the Incident Command System.
- Implement the incident management process on a simulated Type 3 incident.
- Develop an Incident Action Plan for a simulated incident.

Advanced Incident Command System, ICS-400

Command and general staff, agency administrators, department heads, emergency managers, areas commander and Multi-Agency Coordination System/Emergency Operations Center managers.

Course Objectives:

ICS Fundamentals Review for Command and General Staff

- Describe how Unified Command functions on a multi-jurisdiction or multi-agency incident.
- Define the advantages of Unified Command and list the kinds of situations which may call for a Unified Command organization.
- List the major steps involved in the planning process.
- Describe issues that influence incident complexity and the tools available to analyze complexity.
- Describe types of agencies, policies, guidelines and agreements that influence management of incident or event activities.
- Describe the primary guidelines and responsibilities of the Command and General Staff positions.
- Describe the purposes and responsibilities of agency representatives or technical specialists, reporting relationships and how they can be effectively used within the incident organization.
