Parks Entrance Fee Policy

- The daily park entry fee will be \$5.00 per vehicle per day, unless a \$25 season pass has been purchased and properly displayed on the vehicle. There will be no fee charged for walkers or bikers.
- The following parks will require daily entrance fees: Dumont Lake and West Side.
- The daily entry fee will be enforced on Fridays, Saturdays, Sundays, and major holidays (Memorial Day, Independence Day, and Labor Day) and for all hours these parks are open to the public (8:00am to 9:00pm) on these dates. The daily entry fee requirement will be in effect from the Saturday of Memorial Day Weekend through Labor Day.
- The daily park entry fee will be enforced for ALL motorized vehicles entering the above facilities. **EXCEPTION: If the vehicle entering the park is part of a group that has rented a picnic shelter then no daily entry fee will be required. All daily entrance fees for groups renting a picnic shelter are included in the picnic shelter reservation fee.**
- The purchase of a \$5.00 daily entry pass will allow entry into any Allegan County Park, but ONLY on the date the daily entry pass was purchased. The purchase of a \$5.00 daily entrance pass WILL NOT cover the daily trail fees at Silver Creek Park or overnight camping fees at Pine Point, Ely Lake, or Silver Creek campgrounds. However, the \$25 season pass will also include the trail fees at Silver Creek.
- If a \$5.00 daily boat launch permit is purchased at Dumont Lake Park, the purchase of an additional daily entrance permit will not be required. However, this is only effective for the date the daily boat launch permit is purchased. **Note: The daily boat launch fee is enforced seven days per week, all year long.**
- Each vehicle entering Dumont Lake Park or West Side Park during the above time frame without purchasing a daily park entry pass or a season pass will be subject to a \$25.00 Municipal Civil Infraction citation.
