

Expired or Unwanted Medication Collection Event!

**Protect the Environment,
Protect Yourself,
Protect the Community!**

Wondering how to safely dispose of unused, expired, and unwanted medications.....

Well, here's the answer!

Take expired and unused medications, including prescriptions and over the counter medications, to the

Expired or Unwanted Medication Collection Event

Hosted at the **City of Allegan Police Department** (170 Monroe St.)

Saturday November 21, 2009, from 9am-1pm

****All drop offs will be anonymous****

Leaving and storing unwanted medications in your home can lead to potential risk or misuse. Flushing or throwing medications away could lead to pollution of drinking and surface waters. **The medication that is collected at this event will be properly disposed of in a safe manner that is good for our drinking water, ecosystems, and our community.**

If you have medications to dispose of, but you can't attend the event, please contact Ben at the Health Dept. to arrange for a later pick up:

269-686-4559. (resources permitting)

~~No household or hazardous waste will be accepted at this event~~

Educate yourself and others about risks of incorrect use. For more info. go to www.alleganmeth.com

This event will be sponsored by:
