Statement of Votes

Macatawa Area Express (MAX) Transportation Authority Operating Millage

This proposal will authorize the City of Holland and Holland Charter Township to levy 0.6 mill for the purposes of funding operations of the Macatawa Area Express (MAX) Transportation Authority, including replacing reductions in State funding. Of the 0.6 mill, (i) 0.3854 mill represents a renewal of the 0.4 mill authorization approved by the electors in 2021, which will expire December 31, 2026, (ii) 0.0146 mill represents a restoration of that portion of the same authority which has been reduced by application of the Headlee Amendment, and (iii) 0.2 mill represents an increase in the levy.

Shall the limitation on the amount of taxes which may be imposed on taxable property in the City of Holland and Holland Charter Township be increased by 0.6 mill (\$0.60 per \$1,000 of taxable value) for a period of five (5) years, 2027 through 2031 inclusive, as a renewal of the 0.3854 mill previously authorized by the electors which expires December 31, 2026 plus new additional millage in the amount of 0.2146, for the purpose of operating Macatawa Area Express (MAX) Transportation Authority (whose geographic boundaries are coterminous with those of the City of Holland and Holland Charter Township), including maintaining existing public transportation services, and expanding new mobility options like micro-transit services to improve access for seniors, workers, students, and residents with limited transportation? It is estimated that, if levied, the 0.6 mill would raise approximately \$2,454,982.00 in the 2027 calendar year.
